

131 YACHT

BREAKING BOUNDARIES FOR 50 YEARS

Sunseeker is a name revered the world over.

Born from a passion for powerboat racing in 1969 and an obsession to be the best, the Hostess 17 was created.

A small open speedboat that changed everything.

Robert and John Braithwaite had created a boat that set a new standard.

And even though that was nearly half a century ago, its roots are ever-present in everything we do today.

It's about unrelenting passion, imagination and innovation. About the courage to be daring, to be different and to always seek a better way. To always seek more.

Being the UK's largest boat manufacturer has not diluted this. In fact, it's deeper than ever.

That vision is now shared by over 2,400 employees and in every one of the 120 Sunseeker retail and service locations, across five continents and 74 countries.

You'll find it in everything we do today and tomorrow.

SEEK MORE

*We believe that to stop seeking
in life is to stop living.*

*Which is why we never let the sun set
without knowing we've looked for more.*

The most innovative design.

Exhilarating engineering.

Jaw-dropping performance.

Breathtaking attention to detail.

*Motoryachts to make the heart
race and the soul sing.*

*By daring to go where others
don't, we'll take you to places
others only dream of.*

*To do this, we constantly
seek perfection.*

*And then, when we think
we've found it?*

We Seek More.

A large background image showing a hand holding a piece of light-colored, textured material (possibly fabric or paper) over a design board. The board has various colored swatches and a technical drawing. The image is tilted slightly to the right.

YESTERDAY AND TOMORROW

To create a Sunseeker, something undeniably distinctive, we rely on the old methods just as much as the new. Only by employing these techniques side by side are we able to create something truly unique.

From the very beginning we've always been looking for new ways to push the boundaries of technology and ourselves. It begins at the core. The hull. Computational Fluid Dynamics (CFD) has now become a key part of our design process. Allowing us to experiment with variations of hull shape to ensure we get the performance in the water we're renowned for. It's the type of technology not uncommon in motorsport design. This innovation continues throughout the build. In every step from a 3D CAD design, to carbon-fibre technology, resin infusion and direct tooling methodologies.

Yet we know no matter how far we come to the cutting edge of technology, there is no machine that can compare to generations of true craftsmanship. Those highly skilled masters of painstaking detail that nothing can replicate. These are the artisans we use to create our carpentry, cabinet-making, engineering, upholstery, and more.

We know our customers appreciate the finest of details as much as the latest technology. It is by harnessing the techniques of yesterday and the technology of tomorrow, that we are able to create the Sunseekers of today.

A LIFE UNLIMITED

Every Sunseeker is unique from the crowd.

It's what makes them stand out.

*It's what makes them recognised
and revered the world over.*

*But when our customers want something even
more distinctive, they can create a Sunseeker
every bit their own. Something totally bespoke.*

*To them, it's more than a customised yacht –
it's creating a deeply personal statement.*

A statement that will enhance every day of their life.

*Creating a space that reflects their passions and their
lifestyle. From upholstery and fittings, to floorplans
and accommodation arrangements, everything is
made to measure for them and them alone.*

It becomes their own world.

A place where they can have the ultimate freedom.

*Where they can escape the ordinary
and explore the remarkable.*

*To go to the farthest reaches of the
world and their imagination.*

A lifestyle like no other. A yacht like nothing before.

Bespoke

131 YACHT

Length overall	40.05m	131'5"
Beam	8.09m	26'7"
Draft	2.85m	9'4"
Displacement	189,600kg	417,996lb
Fuel capacity (standard)	21,650 litres	5,715 US gal.
Total long range fuel capacity (with optional tank)	26,700 litres	7,050 US gal.
Fresh water capacity	4,950 litres	1,307 US gal.
Black water capacity	1,450 litres	383 US gal.
Accommodation	Up to 12 guests & up to 9 crew members	
Engine options	Up to 6,362PS	
Performance	Up to 25 knots	
Range @ 10 knots	Up to 1,500 nautical miles	
Drives	Shafts	

The 131 Yacht is a tri-deck yacht which demands attention. From her distinctive profile to the sheer scale of her interior space, she is one of the finest examples of modern-day superyacht design and craftsmanship.

Seemingly endless layout options and the ability for owners to personalise at almost every turn means that no two yachts are the same. Yet whether out at sea or nestled within the harbour, she has a distinctive presence that is unrivalled by any other.

Vessels entering the United States markets will be supplied with additional equipment to provide the necessary 120V 60Hz single phase supplies for power receptacles and AV systems. 2 x 70kW 400/230V 3 phase 50Hz generators with underwater silent exhaust and sound shield Tijssen Marine Personal Assistance touch screen based control system which facilitates control and monitoring of all the main ship systems including but not limited to, tank levels, alarms and monitoring, pump control, bilge status and all electrical load management. 90 kVA shore power converter Two dockside AC 125A connection. One power assisted cable retrieval system and one loose cable. Semi-automatic AC power management.	

LANDMARKS ON THE WATER

On our journey we've always pushed boundaries and passed many milestones along the way. Now, we find ourselves reaching another. Our 125th yacht over 100ft. All 125 have pushed boundaries in design and craftsmanship. And we're proud of every one of them.

MAKING A DIFFERENCE

Here at Sunseeker, we have as much commitment, care and attention when it comes to our yachts as we do when it comes to our environment and our broader society. That's why we have teamed up with Macmillan Cancer Support to assist families coping with cancer, and the Blue Marine Foundation who are striving to protect our oceans. With your invaluable support, we can and will make a difference.

WE ARE
MACMILLAN.

Whilst every attempt has been made to provide accurate information, the information in this brochure is not intended to be and should not be relied upon as providing any warranty, representation, guarantee, or offer. Performance and range figures are estimates to be used as an indicative guide only. Dirt or marine growth on the hull, size of boat, engine choice and tuning, propeller condition and pitch, air and water temperature, fuel weight and quality, water weight, stores, number of people on board and other factors can each affect a boat's performance and range. The photographs and artist's impressions in this brochure are from existing models in the Sunseeker range. There may be items shown in these photographs and impressions that are not included in the standard inventory of the models shown. Specifications, measurements and certain other details contained in this brochure may relate to models only for sale in a particular territory. We cannot guarantee that the entire Sunseeker range will be available in every territory. Specifications for models sold in different territories may also vary. Specifications may be changed or models withdrawn at any time without prior notice. The individual specification for each vessel will be agreed as part of the order process and confirmed in the sales contract between the purchaser and the approved Sunseeker distributor or dealer for the relevant territory. Please contact the local Sunseeker distributor or dealer in the territory which is of interest to you, to enquire as to the models and options that are likely to be available in that territory. This brochure is created and published in the United Kingdom and made available to authorised distributors and dealers of new Sunseeker manufactured motoryachts outside of the United States of America and Canada. In the United States of America and Canada, Sunseeker USA Sales Co, Inc. is the issuer of this brochure and is responsible for its content. All distributors or dealers of new Sunseeker manufactured motoryachts are independently owned and controlled businesses. They are not subsidiaries of, nor agents for Sunseeker International Limited, Sunseeker USA Sales Co, Inc. or any of their respective parent, subsidiary or affiliated companies ("Sunseeker Group"). As such, no distributor or dealer has any authority to bind or obligate any Sunseeker Group company in any way.
