

50

Super Sport

30 YEARS OF FAMILY BOAT BUILDING HERITAGESM

50

Super Sport

She behaves as if she preferred rough seas and gray days. As if a head sea, rain, and squall are elements whose taming is her ultimate pleasure. Her secret is an all-weather hull like no other planing hull in the industry. She tracks like a hunter. She is broad and stable.

THE OCEAN 50 SUPER SPORT

If your satisfaction is a contest of will with a blue marlin, this Ocean is made for you.

Her bridge is a study in efficiency, her cockpit tuned to the requirements of serious anglers. Inside, are the elegant salon, roomy dinette, and well-equipped galley that distinguish every Ocean. Below, a true master stateroom announces the precedence of her owners. Together with two additional staterooms and two heads, the yacht carries eight travelers in comfort.

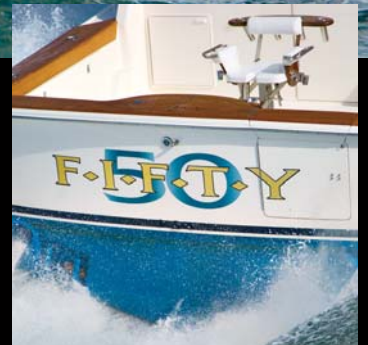

For gray days and blue sky ones, for anglers and cruisers both — the 50 Super Sport has become one of sportfishing's and cruising's most accommodating and sought-after mid-sized yachts.

The Best Part Of Life Is Spent On An Ocean SM

FISHING

SALON

The spacious salon is enriched by teak, or optional cherry, bulkheads and cabinets, sumptuous fabrics, wall treatments, upholstered panels and valances. New owner's can choose one of three designer decor selections from William Bales and Company. An upholstered chair complements the L-lounge, with concealed rod storage. The entertainment center includes a LCD TV with a Bose Lifestyle 18 Stereo System and CD/DVD player.

GALLEY

The modern galley is equipped with a convection/microwave oven, a three-burner range, a refrigerator and freezer. Working surfaces and storage (including an underfloor compartment) are ample. Other standard amenities include a trash compactor and central vacuuming system. Sink and countertops are Corian®, the floor Amtico®.

DINETTE

The salon's cocktail ottoman supplements a handsome and roomy dinette table. The large portside galley is two steps from the dinette. The main deck is fluid and open, allowing ease of movement.

MASTER STATEROOM

The luxurious master stateroom, to port, has a walkaround full berth, a vanity, two cedar-lined hanging lockers, and clothes drawers. A LCD TV with DVD plus an AM/FM stereo with CD player are standard. This yacht's master stateroom possesses the room, amenities, and private head entrance typical of larger models.

MASTER & GUEST HEADS

Both heads feature private showers, mirrored medicine cabinets, linen storage, Corian® countertops, VacuFlush® toilets, exhaust blowers, and contemporary fixtures. The flooring is Amtico®.

GUEST STATEROOM

The forward guest stateroom is available in standard "A" plan which has a large island berth. The optional "B" plan has an upper-and-lower berth arrangement. Both layouts feature ample storage and a cedar-lined hanging locker.

CREW STATEROOM

The third stateroom, to starboard, has comfortable side-by-side twin berths, a cedar-lined hanging locker, and plush carpeting. The teak raised panel entrance door carries the interior accent. Washer and dryer units are located outside, in the companionway.

LIVING

The 50 Super Sport possesses the soft contours, elegant design, and distinctive sheerline that make Oceans the touchstone in classic American production yachts.

Like her sister ships, the 50 SS has an evolved planing hull, which makes them the best roughwater yachts in Ocean's 30 year history — perhaps the best in their class. They can remain at cruising speed, in difficult seas, and not take a beating. While foul weather may keep most other sportfishermen at the dock, they are running for the offshore canyons — and big-game fish.

The 50 Super Sport is capable of 30+ knots with standard diesel engines driving her. Optional powerplants are available for those wanting even more power.

CRUISING

FLYBRIDGE

The bridge boasts a fully instrumented, angled helm station with excellent visibility. The custom-designed hardtop with three-sided enclosure, lounge seating, under-seat storage compartment, companion and helmsman's chairs are all standard. An EZ2CY enclosure is a popular option, as are an aft enclosure, a refrigerator/freezer box, and a hatch in the hardtop.

COCKPIT

The transom-mounted circulating live baitwell, tackle locker, insulated drink box, and the bait prep center's freezer and fresh-water sink enhance the sportfishing experience. A hinged gate in the transom door, fresh and seawater washdowns, rodholders, and large insulated fishboxes are standard. A refrigerated fishbox is an option.

Rupp outriggers, center rigger, and a fighting chair are tournament-ready options. Engine-room and Lazarette access is located here.

ENGINE ROOM

Insulated, the roomy engine room suppresses engine noise and heat. Awlgrip finish and an 11.5 kW generator are standard.

Every Ocean Yacht is backed by a transferable 5-Year Limited Structural Hull Warranty. Five-Year Engine and Generator Limited Warranties are extended by the respective manufacturers. Ocean was the first manufacturer in the industry to offer such owner protection and peace of mind.

Ocean hulls are NMMA certified, meeting or exceeding the materials and construction standards of the National Marine Manufacturers Association. Warranty program terms and conditions are available upon request.

Photographs and floorplans may contain options or other features not covered by the base price. Ocean Yachts reserves the right to make changes to its standard or optional equipment list or to what is shown in visual representations of its models in advertising and sales materials. Ocean Yachts may do so at any time and without prior notice. Ocean Yachts also reserves the right to make such changes without incurring any obligations to equip or modify models manufactured prior to the effective date of such change.
