Super Sport

30 YEARS OF FAMILY BOAT BUILDING HERITAGESM

73

Super Sport

The largest, most extravagant Ocean ever designed. Conceived as a setting for the enjoyment of a boater's ultimate ambition — whether to vanquish tournament contenders or to visit the far islands.

THE OCEAN 73 SUPER SPORT

Rich in amenities. Unrivaled in her standard equipment. Generous in those features that assure ocean travelers of supreme comfort during their voyage.

There are four staterooms — each magnificent. And four lavishly appointed heads. The custom-designed teak, or optional cherry, accented salon is handsomely proportioned. Its luxury will impress you. With a roomy dinette area and a marvelously equipped galley, the salon serves her owner's ambition to entertain regally.

The entertainment possibilities aboard this extraordinary yacht extend to her enclosed flybridge. A sheltered mezzanine overlooks an aft cockpit sized to satisfy contests of strength and cunning with sportfishing's most prized quarry, as well as the requirements of offshore hospitality. With 30+ knots behind her, she will not yield to lesser boats in her determination to lead the way.

This is the Ocean model for those who wish to enjoy the comfort and prestige of a fine custom yacht, and are secure enough to spend less for superlative luxury.

The Best Part Of Life Is Spent On An OceanSM

FISHING

SALON (ENCLOSED BRIDGE)

Teak, or optional cherry, bulkheads and cabinetry, owner-selected custom color and fabric schemes enrich the space. The designer sofa, icemaker, and a cocktail ottoman augments its convivial possibilities. The entertainment center's 40" LCD television and Bose Lifestyle 38 Stereo System with CD/ DVD player are pleasant diversions. An optional wine-chiller is available.

GALLEY (ENCLOSED BRIDGE)

A convection/microwave oven, four-burner range with conventional oven, an upright refrigerator/freezer, dishwasher, and instant hot-water dispenser are standard. So, too, are a trash compactor and central vacuuming system. Countertops are Corian®, or optional granite. Drawer-style under-counter refrigerator and freezer units are also an option. The galley deck is covered by Amtico® flooring. A custom inlaid floor treatment is available.

DINETTE (ENCLOSED BRIDGE)

The settee seats as many as six travelers, in a classic L-shaped configuration.

MASTER STATEROOM

Luxurious amenities include a king-sized berth, cedar hanging lockers, overhead cabinets, clothes drawers, nightstands, a vanity with stool, a Bose Lifestyle 38 Stereo System with CD/DVD player, and a 30" LCD TV.

VIP GUEST STATEROOM

The forward VIP guest stateroom has an offset queen-sized berth with drawer storage, two nightstands, a vanity with stool, overhead cabinets, a cedar hanging locker, clothes drawers, a 20" LCD TV with DVD player, and an AM/FM stereo with CD player.

GUEST STATEROOM

An additional guest stateroom with twin berths sleeps two. A 20" LCD TV with DVD player and an AM/FM stereo with CD player are standard. So are the hanging locker and vanity with stool.

CREW STATEROOM

Two sleep in twin berths in an over-under arrangement. A hanging locker and private head access are standard conveniences. An optional 15" LCD TV and DVD player are welcome diversions.

MASTER, VIP, GUEST, AND CREW HEADS

All four heads have private showers, Corian® countertops, VacuFlush toilets, linen storage, and Amtico® flooring. The fourth head serves the crew stateroom and as a day head.

LIVING

The 73 Super Sport possesses the soft contours, elegant design, and distinctive sheerline that make Ocean Yachts the touchstone in classic American production yachts.

Like her sister ships, the 73 SS has an evolved planing hull. With it, Oceans are quite possibly the best roughwater yachts ever produced in their class. They can remain at cruising speed, in difficult seas, and not take a beating. While foul weather may keep most other sportfishermen at the dock, ours are running for the offshore canyons — and big-game fish.

The 73 Super Sport is capable of 30+ knots with standard diesel engines. Optional powerplants are available for those wanting even more power.

The Best Part Of Life Is Spent On An OceanSM

SALON (OPEN BRIDGE)

In the absence of the enclosed 90° staircase located at the salon-galley bulkhead of the standard enclosed flybridge model, the main deck in the open bridge model enlarges dramatically. So, too, the entertainment possibilities onboard this superb ocean-ranging yacht. The immense salon is handsomely accented in teak, or optional cherry, wood bulkheads, cabinetry, and other handcrafted furnishings. The sprawling, softly upholstered sofa — together with its complementary chair — proclaims the ambition of this Super Sport's owners to live lavishly. The rod storage compartment concealed inside the sofa proclaims Ocean's commitment to space utilization. Carpeting, fabric and custom-selected window treatments are stunning. The entertainment center features a 40" LCD TV. There is, of course, a Bose Lifestyle 38 CD/DVD Stereo System.

UTILITY CENTER

A standard washer and dryer, laundry table, and a freezer unit are located here.

DINETTE & GALLEY (OPEN BRIDGE)

Step up from the salon into a fluid and cheerful space devoted to the satisfaction of appetites sharpened by salt air. To starboard is a six-place high-gloss dinette table with traditional soft-upholstered settee. The galley is marvelously light and airy, offering an unobstructed view of the salon. Guests may well be astonished at its center island. Certainly, the galley's surprising roominess, cabinet and drawer space, and the quality of its standard appliances will please the most demanding. A four-burner range with oven, convection/microwave oven, refrigerator and freezer, a dishwasher and trash compactor are also standard. The galley deck is covered in Amtico® designer flooring. A custom inlaid floor treatment is available. Countertops are Corian.® Under-counter drawer-style refrigerator and freezer units are also available options.

BELOW DECK

The 73 Super Sport's lower deck plan is identical to that found on the standard enclosed flybridge model. (Please refer to pages 3 and 4.)

LUXURY

While the 73 Super Sport was conceived as a luxury yacht for offshore fishing and long-range cruising, many captains we know prefer a more direct sportfishing or on-the-water experience. They relish the sun and salt air as their yacht speeds toward the canyons or distant ports of call.

For them, Ocean has designed an open flybridge option incorporating a custom hardtop with EZ2CY enclosure. Here, captains and bridge guests will enjoy the extraordinary light and unhampered view — protected from wind and unwelcome weather conditions.

Removing the enclosed interior stairway of the 73 SS's enclosed flybridge model alters the yacht's main-deck plan. The open flybridge model has a correspondingly open salon-dinette-galley area. In its airiness, it evokes the casual atmosphere of the "country kitchen." The amenities found on both standard and optional flybridge versions are unsurpassed in a production yacht.

Whether you prefer the enclosed flybridge or the optional open version, the 73 Super Sport is a yacht of exceptional luxury. It possesses a breathtaking capacity to please.

THRILLING

ENCLOSED FLYBRIDGE

The enclosed flybridge, reminiscent of a pilothouse, features teak (or optional cherry) accents, climate control, a table, and a four-place lounge. An entertainment center incorporates a 20" LCD TV with remote, a DVD player, and a wetbar with a refrigerator/icemaker.

Captains approve of the adjustable Stidds helm chair (beside a double-wide Stidds companion seat with storage box) and the outside steering station equipped with electronic controls, located under the hardtop extension.

OPEN FLYBRIDGE

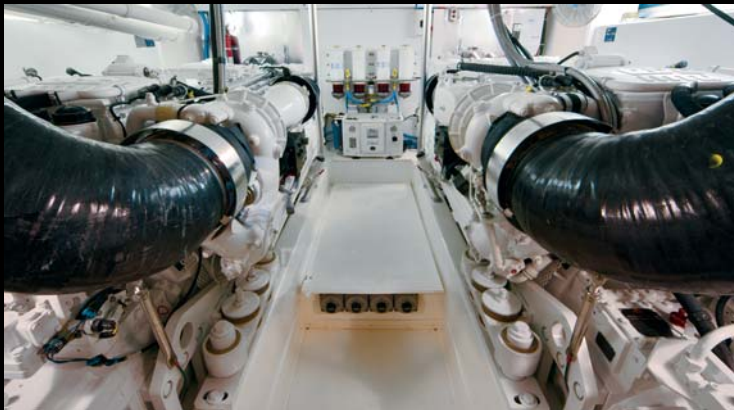

An optional open flybridge model, with custom hardtop and three-sided EZ2CY enclosure, has a pod-style helm with large molded-in electronics boxes, two molded-in teaser reels, and ample storage. An aft enclosure is an available option.

COCKPIT MEZZANINE

Sofa-style seating, a fiberglass pedestal table, and an underdeck freezer are standard. Stereo speakers, and a step-cooler box are also standard aboard this magnificent yacht. An optional fiberglass compartment can be mounted next to the salon entryway for a wetbar and sink; or a grill-top; or a third set of electronic controls.

AFT COCKPIT

The cockpit complements Rupp outriggers, center rigger, and a fighting chair, available as options. Two cavernous fishboxes, a tackle locker, fresh and seawater washdowns, a hinged gate and transom door, and live baitwell/fishbox combo in the transom are standard features. Engine room and Lazarette access is located here.

Every Ocean Yacht is backed by a transferable 5-Year Limited Structural Hull Warranty. Five-Year Engine and Generator Limited Warranties are extended by the respective manufacturers. Ocean was the first manufacturer in the industry to offer such owner protection and peace of mind.

Ocean hulls are NMMA certified, meeting or exceeding the materials and construction standards of the National Marine Manufacturers Association. Warranty program terms and conditions are available upon request.

Photographs and floorplans may contain options or other features not covered by the base price. Ocean Yachts reserves the right to make changes to its standard or optional equipment list or to what is shown in visual representations of its models in advertising and sales materials. Ocean Yachts may do so at any time and without prior notice. Ocean Yachts also reserves the right to make such changes without incurring any obligations to equip or modify models manufactured prior to the effective date of such change.
