Super Sport

30 YEARS OF FAMILY BOAT BUILDING HERITAGESM

42

Super Sport

Luxurious accommodations for as many as seven fortunate Ocean travelers. A master stateroom worthy of the name and a second plush stateroom with generous amenities to pamper your guests.

THE OCEAN 42 SUPER SPORT

A magnificent salon, trimmed in rich teak or optional cherry, is provided with a complete entertainment center. Her main-deck galley, equipped with an ample array of appliances, rises to every convivial occasion. The dinette is large and comfortable.

For those whose pulses race at the thought of pursuing game fish, the 42 SS is all they could wish for. Her tournament-sized cockpit and bridge are among the largest in her class.

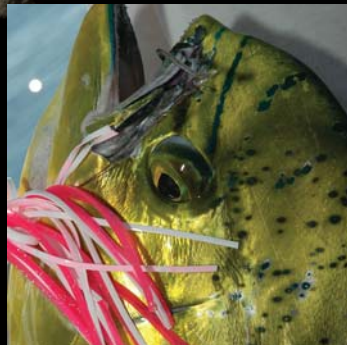

Owning her, boaters will gain admission to the exhilarating offshore world, reaching distant sportfishing or cruising destinations denied smaller, less luxurious boats.

She is perfect for those wanting to step up into a "true yacht" or boaters no longer needing the space and power of larger models, but who do not wish to compromise. The 42-SS proves once more that The Best Part Of Life Is Spent On An OceanSM

FISHING

SALON

The salon is accented by teak bulkheads and handcrafted cabinetry. Cherry is an option; a high-gloss finish, an additional option. Ocean's genius for space utilization is evident in storage compartments concealed within the large L-lounge, the optional sofa bed, and the glossy teak table. An entertainment center includes a 20" LCD television with remote, as well as a Bose stereo with CD/DVD player. The icemaker contributes to the entertainment possibilities enjoyed by owners of this superlative yacht.

GALLEY

The galley is equipped with a microwave oven, recessed two-burner range, an undercounter, drawerstyle refrigerator and freezer — all standard. Working surfaces and galley storage are equal to the demands of extended on-water stays. A standard central vacuuming system speeds cleanup. The countertops are Corian®; Amtico® flooring is standard. An optional refrigerator or freezer installed under the staircase, is available.

DINETTE

A raised high-gloss dinette table bracketed by an L-shaped settee lies to starboard, just two steps from the large portside galley.

MASTER STATEROOM

The 42 SS possesses a true master stateroom with private head entrance; a walkaround full-sized berth with 5" mattress, bedspread, shams, and two pillows; a cedar-lined hanging locker; overhead cabinets; and bunk storage. Two-drawer inserts are an available option. A 15" LCD television and DVD player are standard.

MASTER & GUEST HEADS

Both heads have private showers, Corian® countertops, and VacuFlush® toilets. The master head is ensuite; the guest head also serves as a day head. Amtico® flooring adds an elegant note.

GUEST STATEROOM

The starboard-side guest stateroom has two single berths, 5" foam mattresses and covers, two sham and pillow sets, and a cedar-lined hanging locker. Berths convert easily into a full-size bed. A raised third berth is available as an option in place of the hanging locker. The outboard berth has been designed to accommodate optional rod storage. The standard washer-and-dryer combination is located here.

LIVING

The 42 Super Sport possesses the soft contours, elegant design, and distinctive sheerline that make Oceans the touchstone in classic American production yachts.

The 42 SS, like her sister ships, shares a refined planing hull design that takes rough water in stride like no other model in our 30-year history. Perhaps like no other comparable boat ever manufactured. Oceans can remain at cruising speed, in difficult seas, and not take a beating. While foul weather may keep most other sportfishermen at the dock, ours are running for the offshore canyons — and big-game fish.

The 42 Super Sport is capable of 30+ knots with standard diesel engines. Optional powerplants are available for those wanting even more power.

The Best Part Of Life Is Spent On An OceanSM

CRUISING

FLYBRIDGE

The bridge has been efficiently designed with an angled helm station and 360° visibility to facilitate backing down on fish or close-handling at the dock. The sprawling bridge accommodates a full complement of family and friends, in adjustable helmsman's and companion's chairs and roomy lounge seating forward of the console. A custom-designed hardtop with three-sided enclosure is standard. An EZ2CY® enclosure is a popular option.

COCKPIT

Serious sportfishermen will appreciate the transom-mounted circulating live baitwell, tackle locker, and the bait prep center's freezer and fresh-water sink. A hinged gate in the transom door, fresh and seawater washdowns, rod holders, and large insulated fishboxes are standard. A refrigerated fishbox is an option. Optional Rupp outriggers, center rigger and a fighting chair are tournament assets aboard the 42 Super Sport. Engine-room and Lazarette access is located here.

ENGINE ROOM

The well-equipped and efficiently laid-out engine room suppresses engine noise and heat. An Awlgrip finish and 8.0 kW generator are standard.

POWER & MOTORYACHT TEST CONDITIONS:

temperature: 75; humidity: 74%; wind: 20-26 mph; seas: 4'-6';
load: 140 gal. fuel, 100 gal. water, 2 persons, 100 lbs. gear.
Speeds are two-way averages measured w/Stalker radar gun.

GPH taken via Caterpillar fuel-monitoring system.

Range: 90% of advertised fuel capacity. Decibels measured
on A scale. 65 dB is the level of normal conversation.

Speeds may vary due to sea conditions, equipment installations, bottom condition,
number of people aboard and other variables that may affect performance.

Every Ocean Yacht is backed by a transferable 5-Year Limited Structural Hull Warranty. Five-Year Engine and Generator Limited Warranties are extended by the respective manufacturers. Ocean was the first manufacturer in the industry to offer such owner protection and peace of mind.

Ocean hulls are NMMA certified, meeting or exceeding the materials and construction standards of the National Marine Manufacturers Association. Warranty program terms and conditions are available upon request.

Photographs and floorplans may contain options or other features not covered by the base price. Ocean Yachts reserves the right to make changes to its standard or optional equipment list or to what is shown in visual representations of its models in advertising and sales materials. Ocean Yachts may do so at any time and without prior notice. Ocean Yachts also reserves the right to make such changes without incurring any obligations to equip or modify models manufactured prior to the effective date of such change.
