## Super Sport

For some, the surrender to an elemental life of immense azure skies and depthless seas is reason enough.

For others, it is a contest of will and heart with a solitary marlin. There are some who need no other reason to own one of the world's most celebrated yachts than to steer her over an inland passage in search of the farthest reaches of experience.

### THE OCEAN 54 SUPER SPORT

She combines the production efficiencies that have made Oceans famous for value with many amenities found on our larger yachts. And an advanced planing hull that reimagines seaworthiness for a new generation of boaters.

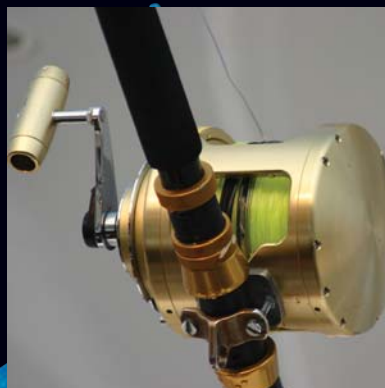

She possesses an elegant salon, roomy dinette, and a galley equipped for all occasions. Three large staterooms and three private heads. A spacious bridge on which to command your destiny. A cockpit and mezzanine to coordinate the pursuit of fish or pleasure on the water or at the dock.

If you are one for whom experience is everything, the new 54 Super Sport is everything you could wish for.

The Best Part Of Life Is Spent On An Ocean<sup>®</sup>

*FISHING*

**SALON**

Teak (or optional cherry) wood combine with rich fabrics, carpeting, wall coverings, and valance treatments to create a luxurious atmosphere. *Personal Choice* interior décor selections allow owners to express their individuality. An upholstered chair complements a U-lounge with concealed rod storage. The entertainment center features a recessed 30" LCD TV and Bose Lifestyle stereo with CD/DVD player. The standard icemaker and cocktail ottoman confirm Ocean's unrivaled generosity of standard equipment.

**GALLEY**

A convection/microwave oven, recessed three-burner range, an undercounter drawer-style refrigerator and freezer are standard; working surfaces and galley storage, ample. Conveniences include a trash compactor and central-vacuuming system. Countertops are Corian®, the flooring Amtico®.

**DINETTE**

A high-gloss dinette table, bracketed by a U-shaped settee, lies just two steps from the large portside galley. The main deck is designed for ease of movement and conversation.

**MASTER STATEROOM**

The midship master stateroom accommodates a large full-sized bed. Featured are a high-gloss vanity, cedar-lined hanging lockers, and clothes drawers. A 20" LCD TV with DVD and an AM/FM stereo with CD player are also standard. The private head size and amenities are normally found on larger models.

**MASTER, GUEST & CREW STATEROOM HEADS**

All feature private showers, mirrored medicine cabinets, linen storage, Corian® countertops, Amtico® flooring, Vacu Flush® toilets, and stylish fixtures.

**GUEST STATEROOM**

The standard layout (Plan "A"), features a large berth with under-mattress storage, and cedar hanging-lockers. Plan "B" (optional) has two roomy bunk beds. The full head can be secured to serve the guests exclusively, or be used as a day head.

**CREW STATEROOM**

Aft and athwart the boat, the crew or second guest stateroom has side-by-side twin berths, generous drawer space, and a hanging locker. Twin berths convert easily into a queen-sized berth with standard cushions and insert. The full head with shower is ensuite.

**UTILITY CENTER**

On the starboard side, amidship, the utility center houses a standard washer and dryer, abundant storage, and hanging/wet locker.

**LIVING**

FORWARD STATEROOM - PLAN A

FORWARD STATEROOM - PLAN B

The 54 Super Sport possesses the soft contours, elegant design, and distinctive sheerline that make Oceans the touchstone in classic American production yachts. Like our flagship 73 SS model, the 54 Super Sport features a cockpit mezzanine with full-length lounge, presiding over the sportfishing action in the tournament-sized cockpit.

Every new Ocean model since the 57 Super Sport rides on an evolved planing hull engineered for significantly reduced resistance, less slippage and improved efficiency at all speeds. The 54 SS is no exception. At the large flybridge's island helm station, Ocean captains can navigate difficult seas — at cruising speed — without the punishing effect common aboard many competitive boats. Ocean's new rough-water hull may well be the best in class. Foul weather can discourage many other sportfishermen while ours are running for the offshore canyons and big-game fish.

Propeller tunnels have been added to the 54 SS for those who want to dock their boat behind the house, explore inland waterways, or cruise a river or canal to the sea. Draft is just 4'.

The 54 Super Sport has the 30+ knot speed with standard power and the agility in all sea conditions that have established Ocean as the premier manufacturer of sportfishermen since 1978. Optional powerplants are available for those wanting even more power. Integral to the hull, an underwater exhaust system reduces fumes and significantly dampens sound.

The 54 Super Sport's lower-deck plan also includes several Ocean layout innovations, among them an enlarged portside master stateroom and a convenient starboard utility center, both achieved by angling the companionway to starboard. The treatment of the aftmost third stateroom (lying athwartships) resembles crew quarters on large custom yachts. The relentless quest for livability lives on in every new Ocean model.

***FLYBRIDGE***

The large bridge boasts a fully instrumented, island helm station. Also standard are the custom hardtop with molded in spreader lights, three-sided enclosure, sprawling U-lounge, under-seat rod storage, companion and helmsman's chairs, and insulated cooler-box. An EZ2CY enclosure is a popular option, as are an aft enclosure, refrigerator/freezer box, a flush-mounted radio-teaser reel box in the hardtop, air-conditioning, and a third helm chair.

***COCKPIT***

A transom-mounted circulating livewell, rod holders, dunnage box, fresh and sea water washdowns, two insulated fishboxes with pumpouts, and a hinged gate in the transom door are standard tournament assets. Lazarette access is located here. Refrigerated fishbox units are an option as are Rupp outriggers, center rigger, and a fighting chair. An Eskimo icemaker is also an available optional.

***COCKPIT MEZZANINE***

A mezzanine commands the sportfishing action, or enlarges onboard entertainment possibilities. A tackle drawer, undersole freezer unit and fresh-water sink, undersole storage, and engine-room access are included. The mezzanine is available in teak as an option.

***ENGINE ROOM***

Soundproofed and insulated, the spacious engine room suppresses engine noise and heat. Awlgrip finish and 15 kW generator are standard. (not shown)

POWER & MOTORYACHT TEST CONDITIONS:

temperature: 60°; humidity: 100%; wind: 35-46 mph; seas: 3'-4';  
load: 1,000 gal. fuel, 200 gal. water, 5 persons, 1,000 lbs. gear.  
Speeds are two-way averages measured w/ Stalker radar gun.  
GPH from MAN fuel computers. Range: 90% of advertised fuel  
capacity. Decibels measured at helm on A scale.  
65dB is the normal level of conversation.

Speeds may vary due to sea conditions, equipment installations, bottom condition,  
number of people aboard and other variables that may affect performance.

Every Ocean Yacht is backed by a transferable 5-Year Limited Structural Hull Warranty. Five-Year Engine and Generator Limited Warranties are extended by the respective manufacturers. Ocean was the first manufacturer in the industry to offer such owner protection and peace of mind.

Ocean hulls are NMMA certified, meeting or exceeding the materials and construction standards of the National Marine Manufacturers Association. Warranty program terms and conditions are available upon request.

Photographs and floorplans may contain options or other features not covered by the base price. Ocean Yachts reserves the right to make changes to its standard or optional equipment list or to what is shown in visual representations of its models in advertising and sales materials. Ocean Yachts may do so at any time and without prior notice. Ocean Yachts also reserves the right to make such changes without incurring any obligations to equip or modify models manufactured prior to the effective date of such change.
